NATIONAL KNIGHTS OF
THE KU KLUX KLAN
RACIAL MATTER - KLAN

A characterization of the National Knights of the Ku Klux Klan (NKKKK) is attached to this communication.

On December 28, 1967, Chicago Police Department Superintendent James Conlisk held a press and television conference in which he made the following statement:

For the past several months ^{CG, JLL} the Chicago Police Department has been conducting an investigation into the activities of the Ku Klux Klan in the City of Chicago. As a result of this investigation, it has been determined that [redacted] Star Number [redacted] assigned to the [redacted]

[redacted] the Chicago Police Department into that organization. The other [redacted] members are all patrolmen and are currently being questioned in offices in the police building. [redacted] Star Number [redacted] assigned to the 11th District, has resigned from the police department. We are not at liberty to discuss the names of the other [redacted] patrolmen because of the various stages of the investigation. Although it is not a criminal offense to belong to the Ku Klux Klan in the State of Illinois, it is contrary to the rules and regulations of the Chicago Police Department for one of its members to belong to the organization in question. It is our plan at present to bring charges before the Police Board to discharge any of the members of this organization who do not resign. Through the cooperation of Mr. John Stamos, the States Attorney, a search warrant was prepared. This search warrant was issued by Judge Arthur Dunne and executed this afternoon. A substantial quantity of guns and ammunition was found in the home of [redacted]

During questioning at the press conference, Superintendent Conlisk stated that he was not in a position at this time to identify the national name of the Klan organization in which these officers were involved.

A confidential source, whose reliability is not known at this time, and who has knowledge of Chicago police officers association with a Klan organization, advised that [redacted] and other Chicago police officers accused of belonging to the Klan were reportedly associated with a National Klan organization by the name of the National Knights of the Ku Klux Klan.

On 12/20/67, investigation ascertained the address at [redacted] to be a parking lot, however, the address [redacted] appeared to be a dwelling similar to that as described by anonymous caller.

Deputy Superintendent MULCHRONE, upon being apprised of the above, indicated his belief that anonymous caller could be identical with [redacted] referred to in referenced communication [redacted] in the opinion of Deputy Superintendent MULCHRONE, could be furnishing the information to the FBI in order to have a reason for his activity in the KKK in the event he should be disciplined or exposed by the Chicago Police Department.

On 12/22/67, Deputy Superintendent MULCHRONE advised that he and Superintendent CONLISK were still of the opinion that no action would be taken by his department until after 1/7/68, when other Klan officers in the Chicago area were allegedly going to have a meeting.

On 12/26/67, Deputy Superintendent MULCHRONE advised the Chicago Division that his unit contemplated setting up a technical surveillance in the vicinity of [redacted] in an effort to identify any police officers that may be in attendance. MULCHRONE indicated he was contemplating sending police officers to the service station located at Dearborn and Ohio in an effort to locate explosives or ammunition.

On [redacted] (Prob) ^{IL} advised the Chicago Division the following information, which was immediately made available to Superintendent CONLISK and Deputy Superintendent MULCHRONE. [redacted]

CG 157-895

MULCHRONE, after being apprised of the above, indicated he would discuss the matter with Superintendent CONLISK. Shortly thereafter, MULCHRONE advised the Chicago Division that he, as well as Superintendent CONLISK were of the opinion that action should be instituted as soon as possible to expose [redacted] as well as other members of the Chicago Police Department who are members of the NKKKK.

MULCHRONE advised that he, as well as Superintendent CONLISK, feared a leak could be made to news media that members of the Chicago Police Department are members of the KKK, which would do great harm to Superintendent CONLISK's administration. MULCHRONE further advised that on 12/26/67, he had learned from their "undercover man" that meeting reportedly to be held on [redacted] had been cancelled and no definite date set. MULCHRONE advised it is possible no meeting is to be scheduled in the future of Klan leaders in the Chicago area. At any rate, information is so vague that it is felt action by the Chicago Police Department cannot be withheld for this reason.

MULCHRONE stated that he contacted their "undercover man" to determine if he would be willing to testify at Civil Service hearings and review boards as to the identity of [redacted] and other police officers in the NKKKK organization in Chicago. MULCHRONE stated that upon being assured by him that the press would be advised that he was ordered to infiltrate the Police Officers Branch of the NKKKK and was not a "stoolie", PD source stated he would do whatever is necessary to effectuate the severance of Chicago Policemen who are members of the NKKKK.

At 3:00 P.M. 12/27/67, Deputy Superintendent MULCHRONE stated that Chicago Police Department officials were in conference with the Cook County States Attorneys Office as to what legal action will be utilized in attempting severance of Policemen involved in NKKKK activities.

MULCHRONE stated that their "undercover man" is prepared to testify before Civil Service hearings that police officers, specifically including [redacted] stated in his presence the

desirability of killing Mayor DALEY or a member of his family because of DALEY's alleged concern for Negroes. MULCHRONE advised that Mayor DALEY was informed of source's statement regarding the threat to his life and Chicago Police Department has furnished adequate protection to the Mayor and his family to insure that no violence will occur.

MULCHRONE advised that their source is willing to testify that [redacted] as well as other Police officers, have accumulated explosives, firearms and ammunition and indicated they contemplate utilizing such materials against property of Negroes. MULCHRONE indicated belief that they may decide to proceed against [redacted] and other police officers on a "Conspiracy charge". He indicated they will obtain a search warrant instantrdate for [redacted] residence.

MULCHRONE advised that although he does not know at this time the exact legal steps to be taken, Superintendent CONLISK requested that [redacted] be called into MULCHRONE's office no later than [redacted] at which time [redacted] will have an opportunity to furnish a statement concerning his participation in NKKKK. MULCHRONE advised that Superintendent CONLISK contemplates making public as soon as possible the fact that the Internal Investigation Division of the Chicago Police Department has ascertained [redacted] activities in the NKKKK and appropriate administrative action is being taken against him, as well as other police officers that may be involved.

At approximately 1:30 p.m. instant date, anonymous caller, referred to above, advised the Chicago Office that [redacted]

The above information was immediately furnished to Deputy Superintendent MULCHRONE. MULCHRONE advised that in view of action now contemplated by the Chicago Police Department on 12/28/67, he and Superintendent CONLISK had decided they will take no action concerning the service station at [redacted] [redacted] nor will they attempt to surveill or afford technical coverage to meeting allegedly scheduled for P.M. instant date.

MULCHRONE expressed opinion that anonymous caller most likely was not [redacted] in view of information anonymous caller furnished instant date, however, this if true, would not affect any contemplated action against [redacted] by the Chicago Police Department.

Chicago source [redacted] (Prob) has been assigned and is being carefully directed to develop all information concerning above. Close liaison will be maintained with Superintendent CONLISK and Deputy Superintendent MULCHRONE concerning captioned matter.

That information is being set forth below in its entirety as follows:

"We would like to congratulate Evan Lewis, Jack Crites, Walter N. Huff, and Mr. & Mrs. Parkie Scott for their splendid work in rebuilding the State of Ohio this past Year. Parkie the law has really harassed you and infringed on your Constitutional Rights which proves what a good job you have been doing.

"Grand Dragon David J. Harris has done a fine job in Wisconsin. Great Progress and many fine Patriotic assistants are really showing results in this great State.

"A bouquet to the Grand Dragon in Illinois if we published your recruiting figures for the year no one would believe us.

"Grand Dragon Harry Gilman in New Jersey deserves congratulations from all of us, am sure that he will build to even greater strength this coming year.

"Newly Appointed Grand Dragon in California, the Rev. Don O'Higgins swears he is going to beat all other States recruiting this Year, and knowing Don, we believe he can do it.

"The popular leader in Louisiana has a tremendous program going with his own group. We thank him for the fine photographs and literature he had thoughtfully sent us.

"Mississippi under Ferral McCormick is getting stronger every day and very soon will give North Carolina a good leader.

"Grand Dragon Ross in Kentucky, Robert Hodgens in South Carolina, and Jason Kersey in Florida have built wonderful organizations and are growing by leaps and bounds.

"Sorry, we haven't the space in this inaugural edition to run through all the States but starting with the February Edition we will carry news from every State, that's with us. 1. To expose all Communists activities and organizations.
2. To expose the Anti-Christ and their Satanical plans for destruction of the White Race.
3. To restore prayer to the schools.
4. To expose and destroy the careers of all politicians who wilfully or through ignorance or brainwashing, support the Atheistic-Jewish-Communist Conspiracy.
5. To expose School Integrations, Open Housing, Mixed Marriages for what it really is, part of the Commy plan to destroy the White Race by down breeding.
6. To get the United States out of the United Nations, and remove the whole operation to Israel where it belongs.

MULCHRONE indicated that Superintendent CONLISK's immediate reaction was to immediately initiate proceedings to separate any police officers from the Department that were associated with the NKKKK. On 12/21/67, MULCHRONE indicated that action against police officers would be withheld until after [] unless information should be developed indicating a leak to news media of Klansmen in the Chicago PD prior to that time.

MULCHRONE stated Superintendent CONLISK felt that if the news media should release information of Klansmen working as Chicago policemen prior to PD making the disclosure, it would do irreparable harm to the general racial situation currently existing in Chicago.

On 12/22/67, Chicag PD was advised that Chicago FBI had received several anonymous calls, the most recent on the afternoon of []. The anonymous caller, []

MULCHRONE advised Chicago Division on 12/27/67; that he as well as Superintendent CONLISK were of the opinion that Chicago PD must institute action against [redacted] as well as other NKKKK members of the Chicago PD as soon as possible to insure that such disclosure of Klansmen on the Chicago PD was known, and being investigated by the Chicago PD. As set forth in referenced airtel and LHM, Superintendent CONLISK held a press and television conference indicating [redacted] police officers were members of the NKKKK at Chicago.

MULCHRONE stated [] immediately submitted his resignation when confronted with NKKKK activities and refused to cooperate with PD in any manner. [] refused to resign and declined to make any statement to the Chicago PD.

On 12/28/67, MULCHRONE advised that his Department did not desire to make public the identities of police officers [] at that time inasmuch as the IID officers told the police officers that if they would cooperate and furnish information of Klan activities in Chicago, their identities would not be made public by Chicago PD.

On 12/28/67, shortly before Superintendent CONLISK's press conference, Chicago PD executed a search warrant at [] residence. Police confiscated one sub machine gun, 4 automatic rifles, an estimated 100,000 rounds of ammunition, 4 pistols, 7 hand grenades, 6 knives, a gas mask, a plastic cross and a confederate flag.

On 12/29/67, the Chicago agents of the Chicago Office of Alcohol, Tobacco and Tax Unit, U. S. Treasury Department, examined guns seized at [] residence and indicated no evidence suggesting possession illegal.

[redacted] stated late 12/29/67, that based on initial inconclusive examination, they are of the opinion much of the ammunition found at [redacted] residence was at one time United States Government property. [redacted] indicated that additional inspection of ammunition as well as appropriate record checks will have to be made before it can be ascertained if any theft is involved.

CG PD obtained voluminous quantities of hate literature as well as file cabinets which contains names, addresses and correspondence which would appear to be affiliated with the NKKKK activities in Illinois as well as elsewhere in the country.

Agents of the Chicago Division are working in close liaison with the Chicago PD in order to insure that all available information and data relating to Klan activities in Illinois and elsewhere is made available to the FBI.

Examination conducted to date would appear to indicate extremely valuable intelligence data concerning NKKKK activities as well as identities of individuals who may be susceptible to Klan recruitment or actual Klan membership.

Late on 12/29/67, Chicago PD advised local news media of the identities of [redacted] and [redacted] as NKKKK ~~police officers~~. *MEMBERS.*

Chicago sources have been assigned and Chicago is following this matter closely. Close liaison has been established with Deputy Superintendent MULCHRONE and full cooperation of Chicago PD is being obtained.

On December 26, 1967, you were advised that a racial informant of our Chicago Office had developed data that [redacted] a member of the Chicago Police Department is an organizer for National Knights of the Ku Klux Klan (NKKKK) and that this data was furnished to the Chicago Police Department.

BACKGROUND:

Through an undercover police officer in NKKKK, the Chicago Police Department learned that several policemen are reportedly NKKKK members. [redacted] had planned a meeting of this Klan group for [redacted]. The Chicago Police requested us to take no action which might jeopardize their inquiries in this matter as they were concerned regarding political ramifications and adverse press reaction if this information was brought to public notice at the time.

We honored the request of the Chicago Police Department and planned appropriate dissemination after receipt of results of the [redacted] Klan meeting.

Our Chicago Office today telephonically advised that Chicago Police officials will confront [redacted] today, take a statement, and move against other police who are Klan members. Wide press coverage and considerable public reaction to this is anticipated.
